

Subject	Reading	Student	Ada Chang
Student Grade	K	Student ID	2037394

Skill Progress and More Information

* Foundational Domains

↑ Placement Improved from Baseline

Domain	Test (10/02/25)	Test (05/27/26)	More Information
Phonological Awareness* ↑	At Grade K	At Grade K	This domain is focused on how children distinguish the sounds (or phonemes) in spoken words. Ada will benefit from instruction and practice in isolating initial, medial, and final sounds in spoken words as well as blending sounds to identify one-syllable words.
Phonics*	Above Grade K	Above Grade K	This domain focuses on how accurately children decode written words. Ada will benefit from instruction and practice in such phonics skills as decoding words with r-controlled vowels, common vowel teams, and inflectional endings that include spelling changes. This student will also benefit from instruction and practice in encoding one-syllable words with final consonant blends and common consonant digraphs.
High-Frequency Words* ↑	At Grade K	Above Grade K	This domain addresses how well children recognize frequently occurring words. Results indicate that Ada is recognizing many Grade 1 high-frequency words and is ready to begin learning Grade 2 high-frequency words. Ada is also ready for instruction in learning to spell Grade 1 high-frequency words.
Vocabulary ↑	Approaching Grade K	At Grade K	Both word knowledge and word-learning strategies are addressed in this domain. Ada is mastering some basic words but may need instruction and practice in additional kindergarten vocabulary, including words used in stories, content areas, and other school contexts. Use some of these words to extend understanding of word categories and words with multiple meanings.
Comprehension: Literature ↑	Approaching Grade K	At Grade K	This domain addresses Ada's understanding of literary text. Results indicate that this child will benefit from instruction that targets listening comprehension skills such as retelling a story as well as comparing and contrasting story elements across texts. Build related background knowledge and vocabulary, and encourage Ada to retell read-aloud stories.
Comprehension: Informational Text ↑	At Grade K	At Grade K	This domain addresses Ada's understanding of informational text. Ada is ready for instruction that targets listening comprehension skills such as identifying the main idea or topic and retelling key details in a text. Build related background knowledge and vocabulary, and encourage Ada to share new information learned from read-alouds.
