

Name _____

Operations and Algebraic Thinking

✓ **Exercise 11.** Write the partners.

$$10 = \boxed{5} + \boxed{5}$$

✓ **Exercise 12.** Subtract the numbers.

$$5 - 2 = \boxed{3}$$

✓ **Exercise 13.** There are 6 frogs sitting on a log. Then 3 frogs jump into the pond. How many frogs are still on the log? Write the equation.

Equation: $\underline{6} - \underline{3} = \underline{3}$
